Subject: Contestation of the Rejection of My Claim (Case No. 89735) - FTX Trading Ltd.

Dear Sir/Madam,

I am submitting this contestation in response to the rejection of my claim in the bankruptcy proceedings of FTX Trading Ltd., under case number 89735. My initial claim was submitted in **December 2023 (referred as Claim_3265-70-PWTQY-538595581)**, and I am formally contesting the "**Objection to Certain No Liability Proofs of Claim (Customer Claims)**" regarding my case, which I received by email on **February 1, 2025**.

1. Proof of Fund Deposit on FTX

On 15/09/2021, I made a bank transfer of **€20,000** to the account of **FTX Trading Ltd.** This transfer is evidenced by the screenshot of my bank statement attached herewith.

To process this transfer, I had to provide my bank with a release letter dated **15/09/2021**, which I also attach as evidence. The details of the recipient account are as follows:

2. Proof of Cryptocurrency Purchase on the FTX Platform

With this amount, I proceeded with the purchase of several cryptocurrencies on **21/09/2021**, at the prevailing rates on that date:

- **Bitcoin (BTC):** 0.21685549 BTC
- **Ethereum (ETH):** 2.7535 ETH
- **EthereumPoW (ETHW):** 2.7535 ETHW
- **Solana (SOL):** 41.0273 SOL

3. Calculation of Total Cost on 21/09/2021

Based on the historical rates of 21/09/2021, the cryptocurrency prices were as follows:

- **BTC:** \$43,200 (equivalent to €36,610.17 at an exchange rate of 1.18)
- **ETH:** \$3,050 (equivalent to €2,584.75)
- **SOL:** \$140 (equivalent to €118.64)

My investment calculation is as follows:

- **BTC:** $0.21685549 \text{ BTC} * €36,610.17 = €7,934.42$
- **ETH:** $2.7535 \text{ ETH} * €2,584.75 = €7,113.99$
- **SOL:** $41.0273 \text{ SOL} * €118.64 = €4,868.92$

Total: €19,917.33, which corresponds to my initial deposit of €20,000, adjusted for the 0.05% transaction fees applied by FTX.

4. Proof of Asset Presence on My FTX Account Until the Bankruptcy

I have also attached phone screenshots of my FTX wallet taken on multiple dates (before and after the bankruptcy of FTX), demonstrating that the aforementioned cryptocurrency amounts were indeed present in my account **until the suspension of platform activities**.

Furthermore, my transaction history was only available through the FTX mobile application, which I used exclusively. This application ceased functioning after the bankruptcy of FTX, making it impossible to access my purchase transactions. However, as shown in the provided screenshots, my balance remained visible at the time of the bankruptcy. The screenshots taken before the bankruptcy clearly show that the cryptocurrency amounts were identical to those displayed in the application once it was frozen following the suspension of operations.

5. Request for Review of My Claim

In view of these compelling pieces of evidence, I contest the rejection of my claim and request its reinstatement in the list of creditors of FTX Trading Ltd.

I remain available for any additional information and kindly ask you to accept my best regards.
